

Northern California Medical Mission Buddhist Tzu Chi Foundation

Mission of Medicine

Medical Volunteer Training Orientation
Sunday, October 12, 2014

佛教慈濟基金會北加州分會

Buddhist Tzu Chi Foundation, Northern California Branch

About Tzu Chi

- **Tzu (慈) Chi (濟)– “Compassion and Relief**
- **Established in 1966 by Venerable Dharma Master Cheng Yen**
- **Four Main Missions:**
 - **Charity**
 - **Medicine**
 - **Education**
 - **Humanistic Culture**

Mission of Medicine

- To ensure proper care of the body, mind, and soul of the patient
- To provide quality medical care, along with health education and other health services to income disadvantaged residents regardless of their age, gender, race or religious affiliations
- To serve with love and humanity to both givers and receivers

Jing Si Aphorism by
Master Cheng Yen

<http://www.tzuchi.org.my/>

要活得健康
重要的是心理健康
人生才會幸福

A healthy mental attitude is vital to good health
which in turn leads to a happy and fulfilling life
